

Audit

# Financial Sleuth

As an auditor, you're not just a number-cruncher, you're a truth-seeker on a mission to uphold accuracy. You'll make epic things happen as a true number detective dedicated to unraveling financial mysteries.

## Is it a good match for me?

If you're naturally curious, teamwork is your second nature, and excel at both communication and finding creative solutions, then you're a perfect match.

## Where could I work?

Any accounting firm or most large corporates like banks, or multinational consumer companies like Xbox, YouTube, Coca-Cola, L'Oreal. Or even in a charity like Children International.

## How do I get there?

You don't need to study anything specific in high school, but business-related subjects can help you get a head start.

## Ability to work overseas

## Graduate salary\*
