

## *QUT Accounting Challenge*

### **Student Participation Information and Permission Form**

The QUT Accounting Challenge is a case study competition for secondary school students. For the challenge, students take on the role of an Accountant and work in small groups of three to four to tackle a client's real-world business problem. Students analyse the problem and then prepare a written advice document and presentation for their 'client' that they submit to the QUT School of Accountancy ([acsc@qut.edu.au](mailto:acsc@qut.edu.au)) and present to a panel of judges at QUT's Garden Point campus.

To participate in the QUT Accounting Challenge, students will require the permission of their parent or guardian which can be provided below.

For further information please contact our team at: [acsc@qut.edu.au](mailto:acsc@qut.edu.au).

Thank you for your consideration.

All the best,

Dr Bronwyn McCredie and Dr Natalie Elms

Please note:

- The student survey is designed to provide evidence to educators, professional associations, and practitioners of how and to what extent the accounting profession must evolve to attract the next generation of accounting professionals.
- Participation in the pre/post student survey is voluntary and anonymous to minimise discomfort and ensure privacy. As such, once the survey has been submitted it will not be possible to withdraw your submitted data.
- Completed student surveys will be stored in a secure location and will be destroyed in accordance with QUT data retention policies.
