

THE BRIDGETECH PROGRAM

THE BRIDGETECH PROGRAM EQUIPS RESEARCHERS AND ENTREPRENEURS WITH THE KNOWLEDGE, SKILLS AND NETWORKS TO SUCCESSFULLY NAVIGATE THE MEDTECH COMMERCIALISATION PATHWAY.

Delivered by QUT in collaboration with a consortium of partners including leading medtech companies, universities, and industry affiliates, the BridgeTech Program leverages partner expertise and global connections to equip you with the skills and networks you need to take new products to market.

THE BENEFITS

Connect with industry leaders in the Australian medtech ecosystem, and network with our vast alumni community at events like the BridgeTech Program Symposium.

Learn from the experts through our seminar series, presented by some of the biggest names in the sector.

Access interactive online learning materials delivered by QUT at your own pace from anywhere around Australia.

Pitch your ideas and receive real-world feedback from industry experts in our pitch competition. Winners receive a funded industry immersion experience.

Collaborate. Our unique collaboration experience is a great way to prepare for real-world deal situations by working with a broad cross-section of people from around the country in a unique team environment.

SYMPORIUM FLAGSHIP EVENT

The BridgeTech Program Symposium is an exclusive in-person event held in the second half of 2026 where you'll learn from experts and industry leaders. The date and venue will be released at the beginning of the program. Travel and accommodation costs are self-funded.
