

QUT DESIGN LAB IS LOOKING FOR WORKSHOP PARTICIPANTS

Participate in a 3-hour creative workshop exploring Ultraviolet (UV) sun exposure and the design of UV responsive wearables to protect Australians from the sun.

We are seeking willing participants who:

- ✓ Are between the age of 18-30
- ✓ Are currently living in South-East Queensland
- ✓ Participate in regular or occasional outdoor activities during daylight hours.

All workshops will be run at QUT Gardens Point campus, in the Brisbane city centre.

Participants will receive a \$25 gift voucher.
