Australian Genre Film

Edited by Kelly McWilliam, University of Southern Queensland, Australia and Mark David Ryan, Queensland University of Technology, Australia

Series: Routledge Advances in Film Studies

Australian Genre Film interrogates key genres at the core of Australia’s so-called new golden age of genre cinema, establishing the foundation on which more sustained research on film genre in Australian cinema can develop. This book will be a cornerstone work for the burgeoning field of Australian film genre studies and a must-read for academics; researchers; undergraduate students; postgraduate students; and general readers interested in film studies, media studies, cultural studies, Australian studies, and sociology.
