

Book CO-LAUNCH

Please join us for the co-launch of our books, featuring commentaries from guest speakers **Prof. Gerard Goggin** and **Assoc. Prof. Serra Tinic**.

Gerard Goggin is an internationally renowned scholar in communication, cultural, and media studies, whose pioneering research on the cultural and social dynamics of digital technology has been widely influential.

Serra Tinic's research focuses on critical television studies and issues of cultural representation in TV entertainment programming from the high network era to contemporary multi-platform screen cultures.
