

QUESTIONS TO ASK WHEN ANALYSING REFLECTIVE TEXTS

- a. What does the first paragraph do? (*Identifies an issue and why it's important; outlines key themes that this piece of writing will address – **reporting and responding***)

- b. What do subsequent paragraphs do? (*Each paragraph introduces a new theme and provides evidence from practice or current literature to explain this theme – **relating and reasoning***)

- c. What does the final paragraph do? (*Re-states the issue; re-iterates key points; suggests new possibilities for the future - **reconstructing***)
