

T³: Today's Teaching Tip

IS THIS YOUR TEACHING STYLE? - 3

The teacher as a **Personal Model**:

(1) Believes in "teaching by personal example" and establishes a prototype for how to think and behave. (2) Oversees, guides, and directs by showing how to do things, and (3) encourages students to observe and then to emulate the lecturer's approach.

Advantage:

An emphasis on direct observation and following a role model.

Disadvantage:

Some teachers may believe their approach is the best way, leading some students to feel inadequate, if they cannot live up to such expectations and standards.
