

T³: Today's Teaching Tip

QUT has a number of resources to assist teaching. GoSoapBox is an app that can be useful to gather information about your students. Let's try it today.

- On your smart phone or your laptop:
 - Open an internet browser
 - Type the URL <http://app.gosoapbox.com>
 - Enter the code: **T3**
 - For your name, you can enter your initials or any code
 - Three questions will appear
 - Enter your answer for each question, and click **Submit**

For more information regarding student response systems including **GoSoapBox**, see:
